

# Plant Center Retreat 2002

13-May-2002, Monday			
7:30 AM	Buses depart UGA		Plant Sci Bldg
9:45 AM	Buses arrive Amicalola		
10:00 AM	Announcements		Oak Hall
10:15 AM	Fungal Biology	Moderator: Scott Gold	Oak Hall
10:15 AM	Sarah Covert "Fusiform Rust: An Analysis of Host, Pathogen, and Environmental Interactions"	Forest Resources, Athens	Oak Hall
10:45 AM	Charles Mims "Use of electron microscopy to study host-pathogen interactions in fungal diseases of plants"	Plant Pathology, Athens	Oak Hall
11:15 AM	<a href="#">Ralph Dean</a> "The rice blast genome project: a community effort"	North Carolina State University	Oak Hall
12:30 PM	Lunch		Dining Room
2:00 PM	Selected Student Presentations, 15 Min Ann-Marie Zimeri, David Burk, Terri Long, Xiaorong Lin	Organizers: Kelly Dawe, Hugh Earl, Scott Gold Moderator: Russell Malmberg	Oak Hall
3:00 PM	Chalk Talk Session I	Organizers: Hugh Earl, Scott Gold, Kelly Dawe	Poplar and Beech Halls
3:45 PM	Chalk Talk Session II	Organizers: Hugh Earl, Scott Gold, Kelly Dawe	Poplar and Beech Halls
4:30 PM	Center Business Meeting -- <a href="#">Agenda</a>	Malmberg / Nagao	Beech Hall
5:30 PM	Pre-Dinner Social Hour		Lobby Area
6:30 PM	Dinner		Oak Hall
7:30 PM	"Introduction of Keynote Speaker"	Russell Malmberg	Oak Hall
7:40 PM	Marc Albertsen "Maize Reproductive Biology-Fertility, Sterility, Agility"	Pioneer Hybrid Seed	Oak Hall
8:45 PM	Evening Social		Lobby Area

**14-May-2002, Tuesday**

7:00 AM	Breakfast		Dining Room
8:15 AM	New Members Session	Moderator: Russell Malmberg	Oak Hall
8:15 AM	Peggy Brickman "Fostering Interactive Learning Environments with Multimedia"	Plant Biology, Athens	Oak Hall
8:45 AM	Tony Glenn "Fungal Endophytes of Grasses: Symbiotic Interactions at Their Best..and Worst"	USDA-ARS, Athens	Oak Hall
9:15 AM	Mark Eiteman "Metabolic Engineering: Recent Microbial Work and Prospects for Plant Systems"	Biol. Agr. Engineering, Athens	Oak Hall
9:45 AM	Bob Kuzoff "Exploring the Molecular Basis of Angiosperm Ovule Diversification"	Plant Biology, Athens	Oak Hall
10:15 AM	Break Coffee breaks partially sponsored by ISC Bioexpress		
10:45 AM	Challenges	Moderator: Hugh Earl	Oak Hall
10:45 AM	Jeff Dean "Using SAGE to study plant transcriptome responses"	Forest Resources, Athens	Oak Hall
11:15 AM	Peggy Ozias-Akins "Peanut Better and Jelly Sandwiches (Improving Peanut through Biotechnology)"	Horticulture, Tifton	Oak Hall
11:45 AM	Scott Merkle "Transgenic forest trees--still not out of the woods"	Forest Resources, Athens	Oak Hall
12:30 PM	Lunch		Dining Room
1:30 PM	Buses Depart for Athens
